

ALBION JUNIORS

2020-2021 AGE GROUP CHART

Please use the chart below to find your child's age group and division. First, locate the month your child was born, along the left side. Slide your finger to the right until you locate the column that shows the year they were born.

The age group categories span one year, from January 1st to December 31st. For example, if your child is in the Under-7 age group and has not turned 7, please understand that this is OK and many children in that age group are the same age as your child.

Please note that your child will be in this same age group for the entire seasonal year (starting in the Fall Season and into the following Spring Season) until all players in that age group "rise" to the next age group the next Fall Season.
